### Section one: Programme details

<b>Name of education provider</b>	Glasgow Caledonian University
<b>Programme title</b>	Non-Medical Prescribing (SCQF Level 9)
<b>Mode of delivery</b>	Part time
<b>Relevant entitlements</b>	Supplementary prescribing
<b>Date of submission to HPC</b>	8 April 2011
<b>Name and profession of HPC visitors</b>	Graham Harris (Paramedic) James Pickard (Podiatrist)
<b>HPC executive</b>	Mandy Hargood

### Section two: Submission details

#### Summary of change

SET 3 Programme management and resources

3.4 There must be a named person who has overall professional responsibility for the programme who must be appropriately qualified and experienced and, unless other arrangements are agreed, be on the relevant part of the Register.

Due to the course leader leaving the university at the end of July 2011 a new course leader requires to be appointed to allow the course to continue. Other than a new course leader, who will also act as the named person who will be responsible for communicating with HPC there will be no changes to the content, teaching and learning strategy, or assessment for the currently validated courses.

The following documents were provided as part of the submission:

- Change notification form
- Context pack
- Major change SETs mapping document (completed by education provider)
- Non-Medical Prescribing Definitive Course Document (2007)

### Section one: Programme details

<b>Name of education provider</b>	University of Worcester
<b>Programme title</b>	FD in Pre Hospital Unscheduled and Emergency Care
<b>Mode of delivery</b>	Full time
<b>Relevant part of HPC register</b>	Paramedic
<b>Date of submission to HPC</b>	7 March 2011
<b>Name and profession of HPC visitors</b>	Glyn Harding (Paramedic) James Petter (Paramedic)
<b>HPC executive</b>	Ben Potter

### Section two: Submission details

#### Summary of change

SET 4 Curriculum  
SET 6 Assessment

The programme team have stated that they will be moving from 15 credit modules to 30 credit modules and outlined that there will be changes to the learning outcomes and changes to the assessment of the modules.

The following documents were provided as part of the submission:

- Change notification form
- Context pack
- Major change SETs mapping document (completed by education provider)
- Student Handbook

### **Section three: Additional documentation**

- The visitors agreed that no further documentation was required in order to make a recommendation.
- The visitors agreed that additional documentation was required in order to make a recommendation. The SETs for which additional documentation was requested is listed below with reasons for the request.

### **Section four: Recommendation of the visitors**

To recommend a programme for ongoing approval, the visitors must be assured that the programme meets all of the standards of education and training (SETs) and that those who complete the programme have demonstrated an ability to meet our standards of proficiency (SOPs) for their part of the Register.

The visitors agreed to recommend to the Education and Training Committee that:

- There is sufficient evidence to show the programme continues to meet the standards of education and training and that those who complete the programme will continue to demonstrate an ability to meet the standards of proficiency.
- There is insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed. Therefore, a visit is recommended to gather more evidence and if required place conditions on ongoing approval of the programme.
