

Education and Training Committee Panel

Programmes which have been subject to major change and for which an approval visit is recommended.

Programme name	BSc (Hons) Diagnostic Radiography
Education provider	University of Bradford
Mode of delivery	FT (Full time)
Date of decision	23 March 2016

Panel: Stephen Wordsworth Chair) Eileen Mullan
Maureen Drake Joanna Mussen
Sonya Lam Joy Tweed

Decision
<p>That the programme has been subject to major change and that an approval visit is required to determine how the programme continues to meet the standards of education and training (SETs). The visit should:</p> <ul style="list-style-type: none"> • consider all SET areas; • include meetings with all groups as defined in the standard two day visit agenda; and • be scheduled along a six month notification period. <p>If the education provider wishes, this could be a multi professional visit to assess this programme and the BSc (Hons) Occupational Therapy programme one event. A full set of documents should be produced for the HCPC to scrutinise as part of this process.</p>
Reasons
<p>The panel agreed that a visit was required to review the issues raised in the major change visitors' report. Owing to the nature of issues highlighted by the visitors, the Panel stated that a visit must be undertaken in order to ensure that the programme continues to meet the SETs.</p>
