

## Education and Training Committee Panel

**Programmes previously recommended for ongoing approval subject to conditions being met, where visitors have provided feedback that conditions are not met:**

<b>Programme name</b>	Diploma of Higher Education Paramedic Practice
<b>Education provider</b>	Edge Hill University
<b>Mode of delivery</b>	FT (Full time)
<b>Date of decision</b>	20 May 2016

**Panel:** Joy Tweed (Chair)                      Sonya Lam  
                  Joanna Mussen                            Stephen Wordsworth  
                  Maureen Drake

<b>Decision</b>
That the changes to the programme, which was previously recommended for approval subject to conditions, should be approved, as the conditions have been met. Therefore, the programme has its ongoing approval confirmed.
<b>Reasons</b>
<p>The Panel considered the feedback from the visitors, the response from the education provider, and background information provided by the executive.</p> <p>In considering this evidence, the Panel noted the disparity between the visitors' reasoning that the conditions for SETs 2.6 and 5.2 have not been met, and the original conditions.</p> <p>Therefore the Panel decided that the conditions are met, and the programme should have its ongoing approval confirmed.</p>
