<b>Decision</b>
<p>That the Visitors' report (including the conditions and recommendations in the report) should be accepted.</p> <p>The nature of the conditions mean that a further visit would be the most appropriate method of scrutinising any further evidence provided, enabling further discussions to be conducted with key stakeholders of the programme.</p>
<b>Reasons</b>
<p>The Panel is satisfied that the conditions in the Visitors' report must be met before the programme can be approved or before the ongoing approval of the programme can be confirmed.</p> <p>Any further visit should focus on the conditions, with scope to review the wider standards if there is reason to do so, and should include meetings with the programme team, senior team, practice education providers, learners, service users and carers, and a facilities and resources review.</p>
