

EMPLOYEE FEEDBACK FORM

Employee Name:..... Employee Department:.....

As part of the performance management process, we are seeking overall feedback from employees and Management about how we can improve HPC's support of organisational changes and the way we manage our people. This is compulsory for employees to fill in. This feedback will be compiled on a confidential anonymous basis (names only seen by HR) so that HR can assist the Executive Management Team in identifying common overall organisational trends or areas which are positive, and those which need improvement.

Please tell us what aspect of your role you most enjoy:
