# d) Continuing Professional Development (CPD) Audit

We requested a 2.5% audit sample of CPD profiles from:

- Paramedics and orthoptists at the beginning of June 2011.
- Speech and language therapists, clinical scientists and prosthetists / orthotists at the beginning of July 2011.
- Occupational therapists at the beginning of August 2011.

CPD assessment days are now being held every two weeks.

#### e) Registration Renewals

At the start of June 2011, 16,938 paramedics and 1,304 orthoptists were invited to renew their registration and registrants have until 31 August 2011 to renew their registration. As at 9 August 2011, 15,351 paramedics had renewed their registration with 66% renewing online and 1,113 orthoptists had renewed their registration with 70% renewing online.

At the start of July 2011, 13,159 speech and language therapists, 4,704 clinical scientists and 906 prosthetists / orthotists were invited to renew their registration and registrants have until the 30 September 2011 to renew their registration. As at 9 August 2011, 6,419 speech and language therapists had renewed their registration with 78% renewing online, 2,785 clinical scientists had renewed their registration with 82% renewing online and 427 prosthetists / orthotists had renewed their registration with 74% renewing online.

At the start of August 2011, 32,520 occupational therapists were invited to renew their registration and registrants have until the 31 October 2011 to renew their registration. As at 9 August 2011, 916 occupational therapists had renewed their registration with 99% renewing online.

#### 2) Resource

#### a) Employees

The department is operating within the budgeted headcount.

#### b) Registration assessors

The department has commenced bi-annual assessor refresher training for all 166 registration assessors. One training day was attended by employees from CORU – Health and Social Care Professionals Council in Ireland. We received positive feedback from them regarding our processes and the training delivered. They indicated that their visit was a valuable learning experience for them.

# Facilities – Steve Hall

#### **Facilities Management Report**

#### Staffing

There are six permanent employees including the Facilities Manager. Services provided include Reception, Building Maintenance, Post Room, Catering, Health & Safety and Building Project Management.

#### Health & Safety

On 3<sup>rd</sup> August a Fire Drill was carried out. The building was reported as fully evacuated within 3 minutes of the alarm being sounded. An additional scenario was played out using John Donaghy, Council Member and Mr William Leaning of the London Ambulance Service whereby the response of one of HPC's trained First Aiders was tested. The exercise went extremely well and one of the learning's that came out of this was that HPC will be purchasing a defibrillator and providing training to all of our current First Aiders on its use. I should like to record my thanks to John Donaghy and Mr Leaning for their help and guidance in carrying out the exercise.

#### **Building refurbishment**

As outlined in the last report to the committee, the areas within HPC's premises that have not been re-decorated within the last 3 years have been refurbished over the summer months.

Planning permission is now being sought to replace some of the windows within Park House, hopefully late summer/early autumn.

#### 33 Stannary Street

HPC has now taken possession of units 7 & 8 and a project team convened to convert this space to both office and meeting rooms. A new structured cabling system will be installed to facilitate IT connectivity to our current offices and any shortfalls on office furniture have been ordered and installed. The IT department have engaged with BT to arrange a new fibre optic connection into the building and it is hoped to have the these premises up and working by Mid October, subject to third party contractors.

## **Business Process Improvement – Roy Dunn**

#### **Human Resources**

No changes to BPI.

# Quality Management System (QMS) review meetings and internal audits

The internal audit schedule for 2011-12 is running. The Education dept has been audited, but their processes are being reviewed in light of the Education processes and systems project. Procurement/suppliers audit in underway.

#### QMS process updates

Work plan processes have been reviewed, and an updated Project Re-prioritisation process rolled out.

Enhancements to the QMS underlying processes are in progress, to reflect our more traditional external audit.

#### **BSI Audit**

Next external audit is scheduled for October

#### **Business continuity**

No major changes other than monthly list updates and updated Communications pages

The 2011 exercise took place on the 27<sup>th</sup> May at Uxbridge (IT systems) and Sevenoaks (Business Continuity Management. A report is included with this Finance & Resources meeting.

#### Information security management

Mazars attended HPC in July to work on an overarching Information Security audit. The report will go to the Audit Committee in the first instance. An external consultant has reviewed our existing processes used in ISO9001 with the view for reuse in ISO27001.

A considerable amount of paperwork must be completed but our practices are generally in good shape.

Further policy documents (ISO27001 deliverables) are in preparation. Asset lists are in progress, with a view to determining specific risks and mitigations required.

#### Information & data management

Migration of the reporting database has been completed. Security has been enhanced, based on user roles in Active Directory.

The five year registration forecast has been prepared. External data sources have been examined where possible, and work with other bodies discussed, e.g. Council for Workforce Intelligence.

Assistance has been provided to quantify payment types relating to historic balances on NetRegulate.

#### **Risk Register**

The next update is being prepared for the September 2011 edition prior to being circulated to the Audit Committee.
